WELCOME

Dear Parents/Guardians

St Dominic's College is one of the finest independent schools in the Free State and boasts four schools on our 18 hectare campus. This presents a unique opportunity that allows our children to transition through the school from Little Saints (3 months) to the High School.

St Dominic's College is a traditional church school, established in the proud traditions of the Dominican Sisters and Christian Brothers. Whilst proudly Catholic and firm in promoting strong Christian values, we welcome pupils from all denominations. Teaching tolerance is an important part of ensuring that every child is treated with dignity and respect.

We place great emphasis on encouraging moral and spiritual growth in keeping with Christian principles and to this end, Religious Education forms an integral part of school life and serves to help pupils grow in faith. Our children derive significant benefit from our values based approach to teaching and learning and ultimately all our teachings are based upon the corner stones of respect, compassion, commitment, discipline and integrity.

Few schools provide such an opportunity, an opportunity that potentially sees children starting at 3 months old and then progressing through the Pre-Primary School, the Primary School and finally the High School, preparing the road to their university of choice.

Little Saints is an exceptional nursery school, specialising in early childhood development. At 12 months of age your baby will achieve "toddler" status and will join the 1-2 year age group of the Little Saints Nursery School. **Little Saints Infant Care Centre** was launched in 2012 and can accommodate babies from 3 to 12 months old and provides a stimulating learning environment that promotes growth and development across all spheres of early childhood development.

The Nursery School can accommodate forty toddlers. It is during these important developmental years that we expose our children to basic pre-school learning activities that will assist them in developing independence in preparation for graduation to Pre-Primary School at age 3, turning 4, in their respective year.

The Pre-Primary School operates on a large, modern premises. Facilities include covered sandpits and verandas with green, shaded playgrounds. Our modern playrooms are well equipped with educational toys and teaching aids. The outdoor area has been designed as an exciting learning environment where each child can safely extend their physical, social and emotional development. Our Pre-Primary School aims to ensure that children achieve independence, and that they learn how to integrate and adopt accepted etiquette in their day to day contact with others.

Aftercare is available at the Pre-Primary School daily, from Mondays to Thursdays between 14h00 and 17h00, and on Fridays between 14h00 and 16h30, under the care of a qualified teacher. This facility is not available during school holidays.

The daily programme has been structured along prescribed Pre-Primary School lines to enrich each child's experience and guide him/her towards school readiness. The groups follow a thematic approach with art, stories, music, drama and movement being incorporated into each theme.

Our teachers are all creative, enthusiastic and caring people who have the children's best interests at heart. We also have wonderful assistants to help in the classrooms.

The Pre-Primary School falls under the leadership of the Pre-Primary School Principal and should you wish to bring a matter of concern to the attention of the school, the correct channels to follow would be to first discuss the matter with the teacher concerned and then the Pre-Primary School Principal. Should the matter not be resolved this way, it should be presented in writing to the Headmaster.

We welcome you to our happy family!

Mrs Carike Rothman

GENERAL PRE-PRIMARY SCHOOL INFORMATION

PTA

Support for all fund raising ventures is essential in building the school community. As a community orientated school, with an entrenched family spirit, it is expected that each family attend our functions. As a private institution, we rely on fund raising events for certain projects at the school, hence, your loyal support is vital for the future prosperity of St Dominic's College. We would like to encourage you to make yourselves available to serve on the PTA and also support the new fundraising initiatives in the Pre-Primary School.

SCHOOL HOURS:

The school hours are from 07:45-13:30. PLEASE BE PUNCTUAL! The gates will be unlocked at 07:00. Under NO circumstances may children be left at school without an adult in attendance. Children left at school after 14:00 will be sent to the Aftercare Centre and parents will be charged accordingly.
