Dear Parents/Guardians

As the year is drawing to a close, we are in the process of finalising a number of administrative matters in order to ensure that your child is fully equipped at the beginning of the 2026 educational year.

Please find herewith the textbook list for your child for next year. In order to ensure that your child has all the necessary textbooks, we would advise that you start sourcing the textbooks as soon as possible.

These textbooks can be obtained from several suppliers, including but not limited to

- Van Schaiks bookshop Pick 'n Pay Centre 087 106 4330
- www.takealot.com
- www.loot.co.za

When ordering the books online, please ensure that you use the correct ISBN number to ensure that you order the most recent textbook as prescribed for your child.

For your convenience, Van Schaiks bookshop will be making textbooks available at their shop in the Pick 'n Pay centre, in order to enable you to have the opportunity to buy all the prescribed textbooks.

We trust that you will make use of these opportunities to ensure that your child has all the textbooks as needed at the beginning of term 1 in 2026.

Should you have any queries, please do not hesitate to contact our administration offices, so that we can assist you accordingly.

Yours sincerely

A Bergh
Bursar
